Senior Mailing:

When: Early April 2009

Each senior family will receive a very important letter mailed home around the time of spring break. This mailing will describe all expectations for the graduation process. This mailing also includes the form to request special seating and interpreters for guests at the graduation ceremony and senior salute.

Last Day for Seniors:

When: Wednesday, May 27, 2009.

Seniors are expected to attend all of their classes on this day.

Cap, Gown and Announcement Orders:

Students who still need to order cap and gown should order by phone to the Jostens office 410-561-1403 ASAP. Announcements needed to be ordered by December 2008 because these orders are then sent to Jostens printing plant. It is not possible to obtain announcements once the order is with the printer.
