Dear Parent/Guardian(s):

We are delighted that you have chosen to enroll your child at Linganore High School.

Linganore High School opened 47 years ago, in 1962, to meet the needs of the then agricultural community in southern Frederick County, Maryland. We serve many small surrounding communities, including Libertytown, Mount Airy, and New Market. Over the years, the accomplishments of our students have brought these communities together with great Lancer pride.

2008-2009 is a very special year for LHS. This is our first year in a new building. We plan to be at this location for approximately two school years while a new school is built at our original location. Once it is completed we will move back to our beloved home on Old Annapolis Road.

To enroll your student, please complete all of the forms in this packet in their entirety. In addition to these forms, you will need to provide copies of all documents on the Enrollment Requirements Checklist included in this packet. You will need to acquire some of this documentation from your student's most recent school, and can be unofficial. LHS will **not** request records for your student until after enrollment.

As soon as you have gathered the requested documentation and completed all forms in this packet, return everything to the registrar. Your information must be verified before an enrollment appointment can be scheduled. The enrollment appointment must be attended by a parent/legal guardian and the student, and will take approximately one hour per student. Your student will start on the next school day after your appointment.

We look forward to meeting with you soon.

Sincerely,

Joshua C. Lewis
Registrar
